

The exciting new game that brings Scrabble (Scrab) and Sudoku (oku) together into one ultra cool game for everybody to play! Find more fun games on Scraboku.com.

Directions:

1. Place this sheet in a Clear View Sheet cover or laminate it so you can use a Dry Erase Pen and Dry Eraser, so you can play the game over and over. Plus, you can use it to translate any already solved Sudoku puzzle and see what words are hiding in the puzzle.
2. Use the **Scraboku Mates** to form words and try to create a puzzle with all nine numbers in each column, row, and set of nine boxes just like any Sudoku puzzle.
3. The more words you create, the more points you get.
4. Most importantly...Don't forget to have FUN and remember the **Clean Thinking Rules** will always help you win!

Lose Points:

When you choose to put any bad words that hurt others or cuss words in the puzzle, then you lose **20 points** for each word.
